IMPORTANT

Our business is almost entirely in 2½ inch pot violets sold by mail or freight shipments. In order to give our customers as quick service as possible we will no longer make retail sales at the greenhouses Monday thru Friday. Local customers may purchase our violets at the many stores carrying them in this area or Saturday morning at the greenhouses. Out of town mail order customers who may be passing through Dallas are welcome to visit the greenhouses anytime. Closed Saturday 12:00 pm, Sunday all day.

Orders received from northern states between November 15th and March 31st will be acknowledged and filled in order of receipt starting April 15th. Shipments to southern states will be made year round, weather permitting. We ship to Continental U.S.A. only.

We conduct a continuous insect disease-prevention program. All soil used on our range has been pasteurized. This kills injurious fungi and bacteria as well as all weed seeds. The plants you receive from our greenhouses will be free from soil and foliage diseases.

Guarantee: We guarantee satisfaction. If your order arrives in bad condition or if you are not pleased with it, let us know within 10 days and we will replace it free of charge, or refund your money.

Because of the many factors affecting plant growth, we make no warranty, express or implied, as to the productiveness of plants listed herein, and we will in no case be liable for more than the original purchase price.

Prices in this catalog cancel all previously published prices.

If you have friends whom you feel would be interested in our African violets, we will be happy to send them our latest catalog.

ONE OF OUR VIOLET HOUSES

AFRICAN VIOLET POTTING SOIL

PASTEURIZED

TRACE ELEMENTS ADDED

This soil contains Peat Moss, Perlite and Lime. To which the following trace elements (Manganese, Iron, Copper, Zinc, Boron, and Molybdenum) have been added. It has been pasteurized (180 Degrees F. for 30 min.) to kill all harmful bacteria and fungi. It is the same soil we use for growing plants in our greenhouses. Volume not less than 520 cubic inches when packed. (9 Quarts) \$2.00 Postpaid
